Positive view of the EU
in general

EU as a scapegoat?
Majority says yes, but
lowest among 5

Migration and asylum:
Concerns about
Austria's / EU's politics

Austrians believe in
strong contributions in
the fields of...

...solidarity

...democracy

...human
rights

Still...

...support
for strong
leader

...national
unity
important

...perceived gap
between elites
and citizens

but
lowest
among
